

**I created these bitmaps in Photoshop. They look best on a white or light gray background, and take white text well. I think you'll find that the 'Med' size buttons work the best; the small ones are generally too small, but might be useful occasionally.**

**The following pages show you what all of the included bitmaps look like.**

**Feel free to use these on your ProntoNG or ProntoPro!**

**David Staas  
2005**

Nav 2 Med [x] [depr].bmp  
(Center, Left, Right, Up, Down)

Nav 2 Med [y] Corner [depr].bmp (UL, UR, LL, LR)

(Same, but shown without corners)

Nav 2 Sm [x] [depr].bmp  
(Center, Left, Right, Up, Down)  
Nav 2 Sm [y] Corner [depr].bmp  
(UL, LR, LL, LR)

Pill 3 Lg [depr].bmp

Pill 0  
Lg [depr].bmp

Pill 10 Lg  
[depr].bmp

Pill 2 Lg [depr].bmp

Pill 11 Lg [depr].bmp

Pill 1 Lg [depr].bmp

Pill 3 Med [depr].bmp

Pill 2 Med  
[depr].bmp

Pill 11 Med  
[depr].bmp

**Nav 1 Med [x] [depr].bmp  
(Center, Up, Dn, Left, Right)**

**Big Btn 4 [n] [depr].bmp (45, 53, 65)**

**Nav 1 Sm [x] [depr].bmp  
(Center, Up, Down, Left, Right)**

**Nav 1 Lg [x] [depr].bmp (Center, Up, Dn, Left, Right)**

**Pill 10 Med  
[depr].bmp**

**Pill 1 Med  
[depr].bmp**

**Pill 0 Med  
[depr].bmp**

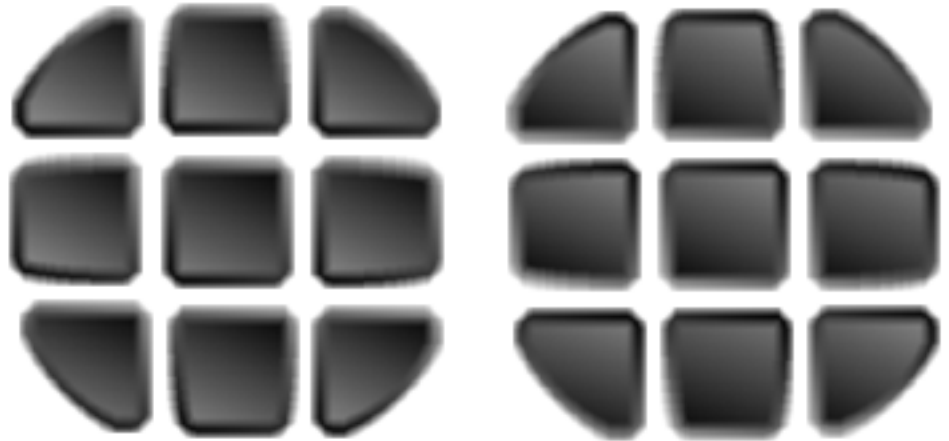

**Pill 2 Sm  
[depr].bmp**

**Pill 3 Sm [depr].bmp**

**Pill 0 Sm  
[depr].bmp**

**Nav 2 Lg [x] [depr].bmp (Center, Up, Dn, Left, Right)  
Nav 2 Lg [y] Corner [depr].bmp (UL, UR, LL, LR)**

**Pill 11 Sm  
[depr].bmp**

**Pill 10 Sm  
[depr].bmp**

**Pill 1 Sm  
[depr].bmp**
